Re: Case # 1:01-cr-00073-SHR-ALL

Dear Judge Sylvia H. Rambo.

In 2001 I plead guilty to 2 counts of 21:843(b) and recieved a total of 96 months. 48 months on each count to run consecutive to my Parole Revocation in Dauphin County. I recently completed my federal sentence and was returned to state custody in 2008. I now have until August 2014 until my parole time is up.

I truly understand how much I benefited from the plea from my federal sentence which was truly a blessing considering the amount of time I could have recieved. I can honestly say 7 years later I understand how my own actions caused me so much trouble. Today I write to you because I know that my prior poor decision-making has changed the way I now look at life. I no longer

with me when I'm released. I have 2 sons that are still very close to me, they are now 9 and 7 years of age. I would like to be a positive force in their lives so they want follow in my foot steps. I have now focused myself to change my behavior and thinking along with the Tools I would need to be successful once I return. I'm only 32 years of age with a desire to do the right thing in life.

I understand what I'm asking you to consider although I have already received prior repot from you. I would like to know if you can consider on running my original sentence from a total of 96 months. to consolidate the 2 counts for a total of just 48 months so I will have a chance to come home before 2014. I know I have what it takes to make it and I will do whats nessarry to achieve my goals. I would like to thank you for your precious time in advance.

Respectfully
Mr. Hughes-Cond
